

ENVIRON HOA POOL GUEST AND GUEST PASS RULES

1. Guest passes must be requested on your application. Upon request, free guest passes will be issued **virtually to your household** in increments of twenty (20) passes. The guest passes will be issued and tracked virtually through the online check-in system. **No physical guest passes or punch cards will be issued. The system will automatically replenish guest passes as you use them so that you never run out of them for the pool season.**
2. Pool guests must be accompanied by an adult Environ resident 18 years of age or older with a valid (activated) Environ HOA pool access card.
3. **Per DAY, a single household is allowed a maximum of 4 guests (includes both adults and children) for entry into the pool**
4. All residents must ensure that each of their guests signs in at the pool front desk office. The sign in must include listing each guest's name and address, as well as the name and address of the Environ HOA household bringing the guest.
5. **Residents of Environ HOA cannot be the guest of another Environ HOA resident.** All Environ HOA residents (including children) must have a valid (activated) pool access card to enter the pool.
